Dear Ian

On behalf of the School of Accounting, I would like to congratulate you on the excellent results you recently achieved in your Semester 1 studies at Curtin.

As the School of Accounting is always interested in attracting quality students, I would like to invite you to join the School by enrolling in Semester 2 in the Bachelor of Commerce, single major in Accounting. The course code is 300A.

The School of Accounting will be announcing exciting new initiatives for its B Comm (Accounting) students during the coming months. These are aimed at developing your talents and broadening your experiences, so as to equip you for a future professional and executive career in accounting and financial management whether in Australia or overseas.

Enclosed is a brochure providing information about careers in accounting and the related courses at Curtin. If you are interested please contact the School's Administrative Assistant, Morag Davies, on 351 7744, for further information.

I am confident you will continue to seek excellent results in your studies at Curtin, and encourage you to consider building on your strong aptitude in accounting.

Yours sincerely

Dear Councillor Goodenough

I would like to express my appreciation for the time you spent meeting with the ACHS Surveyors on Wednesday 22<sup>nd</sup> May, 2002.

It was very generous of you to accommodate us at such short notice. Your contribution at the meeting helped to validate our efforts in demonstrating excellence in patient care and services through the use of the Community Board of Advice. The surveyors were very complementary of many of our services and at the summation conference commented that our Health Care facility is of a very high standard. We were delighted to receive several commendations supporting their findings.

Thank you for your contribution.

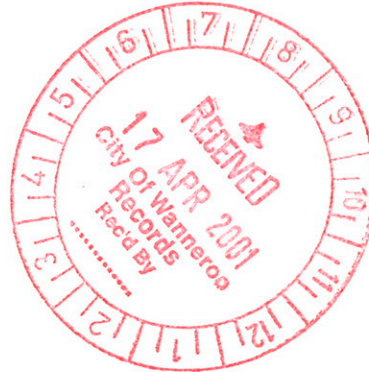

Kind Regards

Dear Ian

Thank you for attending the meeting on Monday evening to discuss landscape works associated with the Brighton project. I appreciate you making time available to discuss the issue.

I am pleased to hear that at last night's Council Meeting it resolved to modify the conditions to enable construction works to proceed immediately. As I indicated, the landscaping works are an important component of the project and needed to proceed immediately.

I would like to thank you for your support during the Council process.

Regards

### TO WHOM IT MAY CONCERN

Scholarship/Research Fellowship to study International Business and in particular trade relations between Australia and the United States.

I have known Ian for a period of five years during his tenure as a Councillor for the City of Wanneroo. During this time I have found Ian to be an honest, very committed upstanding member of the community, whose knowledge and experience within the private and public sectors, and even temperament, have proved invaluable in negotiations with community organisations.

The Satterley Property Group is the developer, project manager and selling agent for a number of large residential land estates within the City of Wanneroo which currently include The New North Urban Renewal project, "Brighton" Butler, "The Grove at Ashby" and "Brighton Beachside" Quinns Rock. The "Brighton" Estate comprises of some 8,500 lots and this residential community will be developed over a 15 year timeframe. Ian has been instrumental in facilitating communication between the developers and the many community groups involved in our residential communities, particularly through his involvement in the "Supporting Growth in the Northern Corridor" conference which was attended by representatives from the Police Department, Western Australian Government Departments, Religious, Health and Educational organisations. Ian is personally involved in the community and is a Board Member of the Peter Moyes Anglican Community School, Joondalup Health Campus Community Board of Advice, as well as Radio Lollipop, a registered charity providing care and comfort for children in hospitals.

Ian's has significant educational qualifications which include a Bachelor of Commerce, Advanced Diploma of Business Management and Certificate in Justice Studies. Ian will complete a Master of Business Administration at the end of this year. He has continually undertaken studies to improve his professional development and leadership abilities and the post-Masters Scholarship/Research Fellowship will complement and build on these achievements.

Ian is very highly regarded by the Satterley Property Group and I have no hesitation in endorsing Ian's application for a post-Masters Scholarship/Research Fellowship.
